RE: IN RE WACHOVIA EQUITY SECURITIES LITIGATION

CASE No 08 CIV 6171 (RJS)

I object to the settlement because the sale of put options or the purchase of call options were not included. During the time frame of May 8, 2006 & Sept 29, 2008. I sold put options & purchased call options. There is absolutely no difference in the purchase & sale of options as in the purchase & sale of common stock. Note ~~that~~ a call option or put option is identical to the purchase or sale of 100 shares of common stock. Therefore puts & calls should be included in the settlement.
